

Merry Christmas from the Stembridge family!

As I write this the weekend after Thanksgiving, I am thankful to the Lord for a safe and full 2005. Our travels took us to Wyoming, Florida, Georgia, Ohio, Tennessee, West Virginia, as well as trips by Ed to France and Germany for Caterpillar business.

As you can tell from the photos inside, the boys have grown into young men! Chad will be 16 by the time you receive this, and will be entering a new season of life as he begins to drive. Both boys have grown in character this year—they are a joy to us around the house.

We're thankful for you and the many other friends and family in our lives. Our prayer is that the Lord blesses you in 2006 with a stronger relationship with Him as you give of yourselves to others.
